Academic expertise and prestige make Boston a main node of global architectural production. Harvard-connected Kao Design Group of Somerville specializes in sustainable design, based upon analyses of place and technology. The firm's high-end global tourism work in the Caribbean helps subsidize a pro bono slum bathhouse/community center in Nairobi, Kenya.

—Daniel Abramson, Professor of Architectural History and Theory, Tufts University

GALLERY HOURS: Tuesdays-Sundays 11am - 5pm; Thursdays 11am - 8pm

Tufts University Art Gallery
Aidekman Arts Center
